

NOVEL CORONAVIRUS ALERT

IF YOU HAVE:

possibly been in contact with some-
one with Novel Coronavirus

a fever

cough or
shortness of breath

Please call us at 434-528-9075 so we can screen your symptoms and provide the appropriate guidance. We are not currently testing for COVID-19 in our office. We ask that you not come to the office as a walk-in patient in order to be screened. Thank you for helping us protect our other patients and staff!
